SUBMISSION RELEASE AGREEMENT

Date:

Taffy Productions LLC.

21300 Oxnard Street, Suite 100

Woodland Hills, California 91367

Attention: Mary Parkinson

Ladies and Gentlemen:

1. I am submitting to TAFFY PRODUCTIONS LLC. ("TPL") herewith the following described material, ideas or creative work (hereinafter referred to as "said material(s)"):

[DESCRIPTION OF THE MATERIAL]

2. I acknowledge that TPL would refuse to accept, consider, or otherwise evaluate any material in the absence of my acceptance of each and all of the provisions of this agreement.

3. It is understood that no confidential relationship is established by my submitting the material to TPL or TPL's agreement to accept such submission hereunder.

4. I request that TPL examine said material with a view to deciding whether TPL will undertake to use said material, or any part thereof, in connection with the development and possible production of one or more motion pictures (including, without limitation, television and theatrical motion pictures) and other productions or creative works based upon such material and TPL hereby agrees to so examine it.

5. I warrant that I am the sole owner and author of said material and that I have the exclusive right and authority to submit the same to TPL upon the terms and conditions stated herein. I agree to indemnify, defend and hold TPL harmless with regard to any liabilities, losses, claims, demands, costs (including reasonable attorney's fees), or expenses arising in connection with any breach or alleged breach of the foregoing.

6. I agree that nothing contained in this agreement nor the fact of my submission of said material to TPL shall be deemed to place TPL or any of TPL's employees, officers, directors, shareholders or any of its agents or representatives or any other person or entity to whom TPL shows said material in any different position than anyone else to whom I have not submitted said material with respect to any portion of said material which does not constitute protectable literary property.

7. I recognize that TPL and TPL's employees, officers, directors, shareholders and its respective agents and representatives have access to and/or may create or have created literary and other materials and ideas which may be similar or identical to said material in theme, idea, plot, format or other respects. I agree that I will not be entitled to any compensation because of the use of any such similar or identical material which may have been independently created by TPL or any such person or may have come to TPL or any such person from any other independent source.

8. I acknowledge that such similarity in the past has given rise to litigation so that unless TPL can obtain adequate protection in advance, TPL will refuse to consider the submitted material. The protection for TPL must be sufficiently broad to protect TPL, TPL's related companies (including without limitation Mike Young Productions, LLC), and TPL's and its employees, officers, directors, shareholders and its prospective agents and representatives and all other parties to whom TPL submits material. Therefore, all references to TPL include each and all of the foregoing.

9. I agree that no obligation of any kind is assumed or may be implied against TPL by reason of TPL's review of the said material or any discussions or negotiations we may have, except to the extent that an express written agreement hereafter executed by TPL and me (if any) which, by its terms, will be the only contract between us.

10. If TPL and I do not subsequently enter into a written agreement concerning the use of said material and TPL causes to be used any legally protectable portion of said material, provided it has not been obtained from, or independently created by, another source, TPL will pay or cause to be paid to me an amount which is comparable to the compensation TPL normally pays for similar material or any amount equal to the fair market value thereof at the date of this agreement in accordance with standard industry custom and practice for companies of similar stature and size as TPL, whichever is greater. If we are unable to agree to said amount, or in the event of any dispute concerning any alleged use of said material (*e.g.*, whether TPL have caused to be used legally protectable portions thereof), or any other dispute arising out of or in connection with said material or with reference to this agreement, its validity, construction, performance, nonperformance, operation, breach, continuance or termination, such dispute shall be submitted to arbitration. Each party hereby waives any and all rights and benefits which he or it might otherwise have or be entitled to under the laws of any state or otherwise competent jurisdiction to litigate any such dispute in court, it being the intention of the parties to arbitrate, according to the provisions hereof, all such disputes. Either party (either TPL or I) may commence arbitration proceedings by giving the other party written notice thereof and in such notice designating one arbitrator. Within twenty (20) days after receipt of such notice, the other party shall designate in writing another arbitrator. If the other party shall fail or refuse for whatever reason, to select a second arbitrator within twenty (20) days, as aforesaid, then the first arbitrator appointed shall serve as the sole arbitrator and shall promptly determine the controversy. The two arbitrators shall promptly select a third arbitrator, and if they cannot agree on a third arbitrator within ten (10) days after the appointment of the second arbitrator, either party may secure appointment of the third arbitrator by application to the American Arbitration Association. Each of the arbitrators shall be a person experienced and knowledgeable in the entertainment industry. The arbitrators, when appointed, shall promptly determine the controversy by majority vote and such determination shall be final and each of the parties shall be

bound thereby. The arbitration shall be conducted in the County of Los Angeles, State of California, and except as herein expressly provided otherwise, the arbitration shall be governed by and subject to the laws of the State of California in the then prevailing rules of the American Arbitration Association. The arbitrators' decision shall be controlled by the terms of this agreement, and I agree that the amount of any award to me shall be limited to an amount which is comparable to the compensation TPL normally pays for similar material or any amount equal to the fair market value thereof at the date of this agreement in accordance with standard industry custom and practice for companies of similar stature and size as TPL, whichever is greater. Such decision shall provide for each party to bear his or its own costs of arbitration and attorney's fees. If either party shall fail to appear at the hearing on the date designated in accordance with the rules of the American Arbitration Association, or shall otherwise fail to participate in the arbitration proceedings, then the arbitrators or arbitrator, as the case may be, are empowered to proceed ex parte. Judgment upon the award of the arbitrators may, upon motion of either party, be entered as a final judgment in any court or otherwise competent jurisdiction.

11. Except as otherwise provided in this agreement, I hereby release TPL and each of TPL's employees, officers, directors, shareholders and each of its respective agents and representatives of and from any claims, demands and liabilities of every kind whatsoever, known or unknown, that may arise in relation to the said material or by reason of any claim now or hereafter made by me that TPL has used or appropriated said material, except for fraud or other willfully tortious conduct on TPL's part.

12. Either party to this agreement may assign or license to any person, firm or corporation whomsoever, its or his rights hereunder, but such assignment or license shall not relieve such party of his or its obligations hereunder. This agreement shall inure to the benefit of the parties hereto and their respective heirs, successors, representatives, assigns, licensees and clients and all such respective heirs, successors, representatives, assigns, licensees and clients shall be deemed to be third party beneficiaries under this agreement.

13. I have retained at least one copy of said material, and I hereby release TPL of and from any liability for loss of, or damage to, the copies of said material submitted to TPL hereunder, it being understood that TPL shall have no duty to return any such copies to me following completion of TPL's evaluation or consideration thereof.

14. I hereby state that I have read and understand this agreement and that no oral representations of any kind have been made to me, and that this agreement states our entire understanding with reference to its subject matter. Any modification or waiver of any of the provisions of this agreement must be in writing and signed by the party sought to be changed.

15. Should any provision or part of any provision be void or unenforceable, such provision or part thereof shall be deemed omitted, and this agreement with such provision or part thereof omitted shall remain in full force and effect. This agreement shall at all times be construed so as to carry out the purposes hereof.

Very truly yours,
